Finisher/General Laborer (Full- or Part-Time)

TriPyramid Structures is a small design-and-manufacturing company situated in Westford, MA. We specialize in the creation of custom stainless steel componentry for architecture, but we also make carbon steel, aluminum, and even titanium hardware. You can visit our website, <http://www.tripyrmid.com>, to view parts and projects we've completed.

We are looking for new employees to fill immediate openings assisting in our finishing shop and machine shop. A moderate amount of physical labor will be part of the job, but experience is not necessary.

Responsibilities include, but are not limited to:

- Hand-sanding stainless steel and titanium parts.
- Prepping stock and assisting machinists.
- Making deliveries to and picking up from local vendors.
- Cleaning and packing parts for shipping.
- Cleaning and organizing the shop space.

To apply for this position, please respond to this posting with:

- Name and daytime contact information.
- At least one reference from previous employment. Include company name, address and phone number, name of immediate supervisor, and position held.
